

OCTOBER 2018

(aka The Ohio Collaborative for Health Disparity)

HICKS HARRIS FERGUSON MULTIPLE MYELOMA UPDATE

Dear Friends:

Hope that the summer was filled with love, laughter and good health! The HHF Committee is working on the 2019 Symposium and hope to see you there. In the meantime, we decided to periodically send a newsletter to share education opportunities, etc., that we thought might be of interest to you. This service is informational and is not an endorsement.

Best wishes!!!!

MULTIPLE MYELOMA TREATMENT GUIDELINES

The NCCN Guidelines for Multiple Myeloma provide recommendations for diagnosis, evaluation, treatment, including supportive care and follow-up for patients with myeloma. These NCCN Guidelines Insights highlight the important updates/changes specific to the myeloma therapy options in the 2018 version of the NCCN Guidelines.

To access the guidelines visit: <http://www.jnccn.org/content/16/1/11.full>

HELP US - HELP YOU!

For the past 8 years we have been able to provide HHF at no cost to the community. You can help with funding for 2019 by signing up with **KROGER's REWARD and/or AMAZON SMILES**. After you register and select the Ohio Federation for Health Equity and Social Justice as your charity, they will make contributions to us based on your purchases. You will help fund Hicks Harris Ferguson without out-of-pocket costs.
